

# CERTIFICATIONS

*Efficiently managing partner certifications can be a tall order. The Certifications app offers quick-to-launch functionality that enables both individual- and company-level certifications within Allbound.*

## Certifications Brings a Can-do Attitude To Partner Certification Management

Certifications can be used alongside Allbound Learning Tracks, or used as a stand-alone app. In either case, this useful app makes it easy for you to certify your partner ecosystem on your solutions, and keep them current.

## Features You'll Love

**Open up Certifications to all partners or restrict to specific groups.**

**Use for single certifications on individual product solutions, or expand it to more robust programs across partner tiers.**

**Certified partners and contacts can easily add details on LinkedIn to show off their credentials.**

**Simple to use and at-a-glance reporting makes it easy to manage.**

# CERTIFICATIONS IS READY FOR YOU

Getting started with Certifications is simple – launch it, love it and after 14 days pay for it. Little Taller’s Certifications app is based on many years, and a lot of hands-on experience, with customers using the Allbound platform. Other customers think it’s pretty neat, and we think you will too.

## Access

Submit a request to launch Marketplace Apps and you’ll be all set to browse, trial, and activate Certifications from within your Allbound instance.
