

# POP-UP MESSAGES

*Align partners to your most important programs and campaigns with this impossible-to-miss communication tool.*

## Put Your Priorities Front and Center With Pop-Up Messages

Pop-Up Messages is a real attention grabber. Get your PRM users focused with this post login app that empowers system administrators to share information or create action as soon as your partner contacts launch Allbound.

## Say It Loud And Proud With Pop-Up Messages:

**Easily share news and announcements across your partner ecosystem.**

**Segment messages by groups to set different priorities for different types of partners.**

**Share new product information and link to learning tracks, playbooks and content that gets your partners up-to-speed fast.**

**Request profile updates from users on a set schedule such as every 90-days, every six month or any time interval of your choosing.**

# PUT ALL EYES ON POP-UP MESSAGES

Getting started with Pop-Up Messages is simple – launch it, love it and after 14 days pay for it. Little Taller's Pop-Up Messages app is based on many years, and a lot of hands-on experience, with customers using the Allbound platform. Other customers think it's pretty neat, and we think you will too.

## Access

Submit a request to launch Marketplace Apps and you'll be all set to browse, trial, and activate Pop-Up Messages from within your Allbound instance.
